

Festival Policies & Information

Please bring low back lawn chairs, blankets, and other necessities into the festival. You may use only low-back chairs in the venue; if you have standard lawn chairs you'll need to sit in the back where you won't obstruct anyone's view.

Drinking water is available inside the venue to refill water bottles. Sorry, no food, glass or alcohol may be brought into the festival venue. Refillable bottles must be brought in empty and filled inside the venue.

BAGS, BACKPACKS, ETC. WILL BE CHECKED AT THE DOOR. Beer and wine will be available for purchase by individuals 21 and over. Alcoholic beverages must be consumed inside the fenced venue, and may not be brought in from or taken to the campgrounds.

This is a rain or shine event, so bring your rain gear just in case - better to be safe than sorry! And don't forget your sunscreen. This time of year it's best to bring layers - we can go from the 40's in the morning to the low to mid 70's by afternoon.

Leave your pets at home. Household pets are not allowed anywhere on the grounds during festival weekend, for their safety and yours. Service animals permitted as allowed by the Americans with Disabilities Act.

Please note: This will be a Standing Room Only event after 5:30 pm. All chairs must be removed from the venue by this time.
There will be no IN/OUT access after 7:00 pm without a camping pass.
